

GOVERNMENT POLYTECHNIC, BHUJ
STANDARD CLUB (9430)
INDUSTRIAL EXPOSURE VISIT REPORT

Date: 02/05/2024

Location: Somnath Boards Pvt Ltd, near Gandhidham

The Industrial Exposure Visit organized by the Standard Club of Government Polytechnic Bhuj, with the assistance of BIS Gandhidham branch, aimed to provide students with practical insights into industrial processes. The visit took place at Somnath Boards Pvt Ltd, a prominent manufacturer located near Gandhidham. 30 students and 2 staff members, Shri D D Pandya and shri D B Lokwani, from the Mechanical Engineering branch of Government polytechnic, Bhuj participated in the visit.

The visit commenced at 10:00 am, with all Standard Club members and staff boarding for Somnath Boards Pvt Ltd. Upon arrival, the participants were welcomed by company owner Mr. Ramesh Patel and Mr Mehul Patel and then introduced to Mr. Haresh Kumar, the Production Manager at the company, who graciously guided them through the manufacturing processes of plywood, flush doors, and plyboard. The visit provided students with a comprehensive understanding of industrial operations, from raw material processing to the final product assembly. Students observed the intricate procedures involved in the production of plywood, flush doors and ply boards., including drying, pressing, wood cutting, and finishing stages.

The Industrial Exposure Visit to Somnath Boards Pvt Ltd was a resounding success, thanks to the cooperation of Mr. Haresh Kumar, Mr. Ramesh Patel, and Mr. Mehul Patel. The students expressed their gratitude for the informative guidance provided during the visit, enhancing their understanding of industrial processes and fostering a spirit of curiosity and exploration.

Government Polytechnic, Bhuj extend sincere thanks to Mr. Vijay Jaru, Senior Engineer at BIS Gandhidham, for facilitating the visit, and to the management of Somnath Boards Pvt Ltd for their warm hospitality and insightful presentations.
