**Subject: Application for Office Bearer Position**

Respected Sir,

I am writing to express my interest to become the Office Bearer within our ISTE Student Chapter. As a member of ISTE student chapter, I am eager to contribute my skills and efficiency to further the goals of the chapter.

My commitment to technical study, my educational result and my willingness to collaborate make me well-suited for this role. I have attached my Student Grade History for your consideration.

I look forward to the opportunity to work as active committee member of ISTE student chapter of our institute.

Thanks,

Sincerely,
