Government Polytechnic, Bhuj

Opp. Hill Garden, Airport Ring Road, Bhuj – Kutch, Gujarat

Email: gp-bhuj-dte@gujarat.gov.in, Website: www.gpbj.cteguj.in

Institute Profile

Government Polytechnic, Bhuj is a Diploma Engineering Institute situated in Bhuj City of Kutch District. The institute is governed by Directorate of Technical Education, Government of Gujarat and is affiliated to Gujarat Technological University, Ahmedabad. Government Polytechnic, Bhuj is equipped with robust infrastructure, experienced faculty and enthusiast academic environment. The Government Polytechnic, Bhuj strives to provide quality education and produce skilled Diploma Engineers since its inception in 1987. The institute is approved by All India Council for Technical Education of India and offers Diploma Engineering Programs in Five Branches namely Civil Engineering, Computer Engineering, Electrical Engineering, Mechanical Engineering and Mining Engineering.

Vision

Produce competent diploma engineers to serve industry and society.

Missions

1. Impart technical knowledge and skills through dynamic learning environment.
2. Mobilize institute resources for co-curricular and extra-curricular activities.
3. Create strong institute-industry linkages to enhance students' employability and entrepreneurship.

Principal's Message

The new academic year offers new opportunities, new energy, new milestones and new challenges. I strongly believe that education is a collaborative effort that involves professional administrators, committed teachers and motivated students. We dedicate ourselves as professional administrators in creating a dynamic education programs empowering the students in a global perspective.

I am delighted to announce that three programs of Government Polytechnic, Bhuj namely Computer Engineering, Electrical Engineering and Mechanical Engineering have applied for NBA (National Board of Accreditation) this year. The accreditation of NBA will offer a new perspective to identify opportunities and gaps as well as the path to develop strategies that maximize the student learning outcomes.

- R. J. Hathi

Civil Engineering Department

Activities by Department

Online Virtual Site Visit for 5th Semester students for **Water Supply and Sanitary Engineering** was organized by Mr. N. V. Thaker (HoD – Civil) during July – August, 2021 through YouTube videos. Waste Water Treatment plants of Vadodara, Jaipur etc. were shown to students along with explanation.

Online Virtual Site Visit for **Bhujodi Flyover Bridge** was organized for 5th Semester Student using Old Visit Reports for the subject **Advanced Construction Technology** by Mr. N. V. Thaker (HoD – Civil) in July-2021.

Site Visit to Bhujodi Flyover Bridge was organized for 6th semester students as a part of their Final Year Project by N. V. Thaker (HoD – Civil) on 31-07-2021.

The students of Civil Engineering attended **Webinar on “Career Opportunities in Pre-Stress Concrete Technology”** on Date: 07/08/21. The webinar was jointly organized by Civil and Mechanical Department of Government Polytechnic, Bhuj and Mr. Sandesh Naidu , Head - Vocational Business, L&T , India delivered an expert talk.

Site visit to Construction of Proposed Shopping Complex at Rajaram Road near G K General Hospital, Bhuj was organized on 11-08-2021 for students of 6th semester as a part of their Final Year Project, guided by R. L. Lalwani. This technical site visit was accompanied by N. V. Thaker (HoD – Civil) and B.V. Thacker (Lecturer in Civil Engg.) as experts.

A group of 8 students from final year were taken for **site visit** near **Trimandir Temple, Bhuj** on 26th September 2021. The visit was arranged for the Project. Students were guided by Ms. B. B. Sitapara, Lecturer in Civil Engineering.

Oath ceremony on 'Rashtriya Ekta Divas' was organized at Civil Engineering Department of GP Bhuj as a tribute to India's beloved National Leader Late Shri Sardar Vallabhbhai Patel on his birth anniversary on 30-10-2021.

Government Polytechnic, Bhuj and Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj signed MOU for 'Education, Scientific & Research Cooperation'. This MOU is meant for the Co-operation in the domain of STEM (Science, Technology, Engineering and Mathematics). Basically it is done for the field of Environmental Engineering. The Representative from Government Polytechnic, Bhuj was Mr. B. V. Thacker, Lecturer in Civil Engineering. (November 2021)

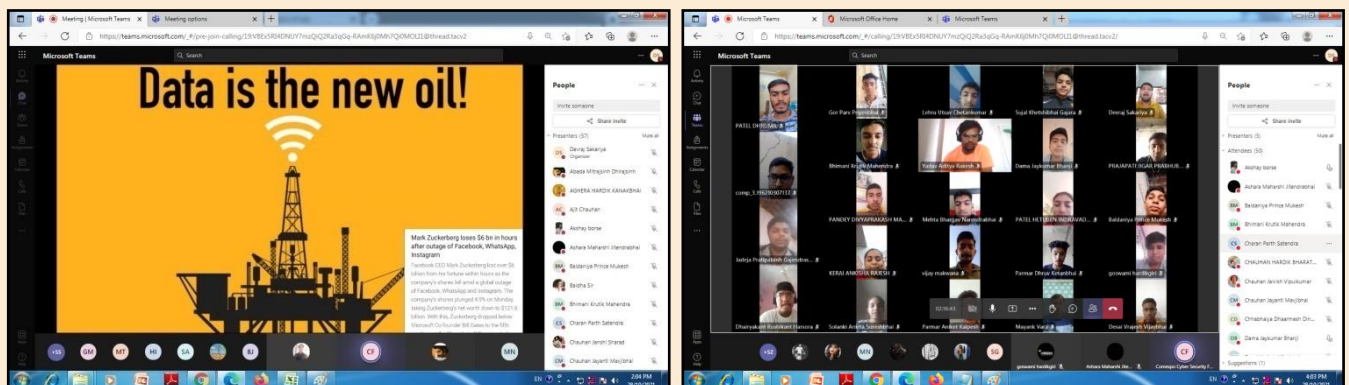

Government Polytechnic, Bhuj and Katira Construction Co., Bhuj signed the Strategic MOU for arranging Site visits, Expert Lectures, Placement Support etc. for the benefit of Students of Civil Engineering Department. The Representative from Government Polytechnic, Bhuj was Mr. B. V. Thacker, Lecturer in Civil Engineering. (December 2021)

Computer Engineering Department

Activities by Department

Computer Department, Government Polytechnic, Bhuj organized an expert session on "LogOut - The Cyber Awareness Campaign" on 28th October, 2021 to spread cyber-Security awareness

Mr. Viral Parmar, cyber security consultant at ComExpo Cyber Security delivered an expert session on cyber security awareness.

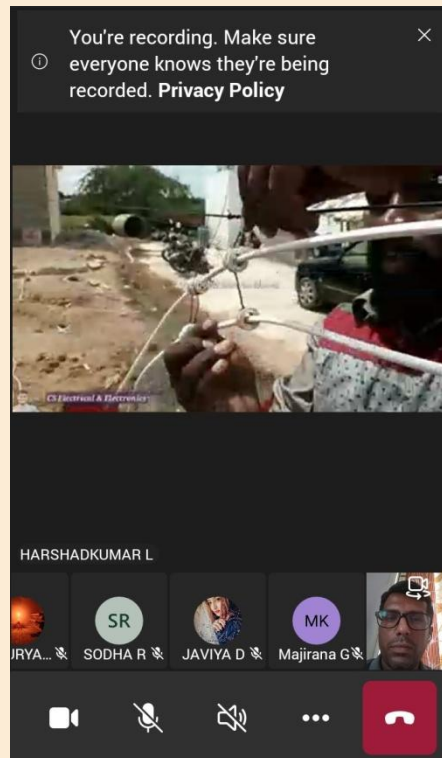

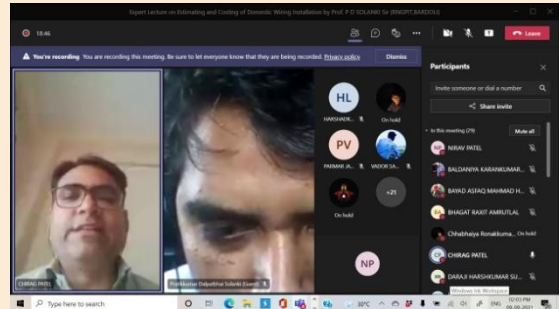

Mr. Viral covered topics such as Types of Cyber Crime, Cyber Bullying and Harassment, Social Media Addiction, Cyber Fraud and Online Scams, Modus Operandi of Cyber Crime, Banking Financial Frauds, Safe Internet Surfing Tips, Cyber Laws, and Reporting Cyber Crime.

This expert session was organized in online mode using Microsoft teams and morethan 142 students were benefitted.

Electrical Engineering Department

Activities by Department

An expert lecture was organized on 09th September 2021 for the 5th semester students of Electrical Engineering. The topic of the lecture was “**Estimation and Costing of Wiring Installations**”. It was delivered by **Mr. P. D. Solanki** (Asst. Prof. Electrical Engineering Department, R. N. G. Patel Institute of Technology, Bardoli). 39 students took benefit from this lecture. It covered content like Drawing Installation plan wiring layout and wiring diagram, Calculation of load points and the total load on the installation, Selection and rating of cable/wire for the circuits, Selection of size and rating of main switch, sub-main switch, energy meter and distribution boards, Calculation of length of conduit/casing capping/batten etc.

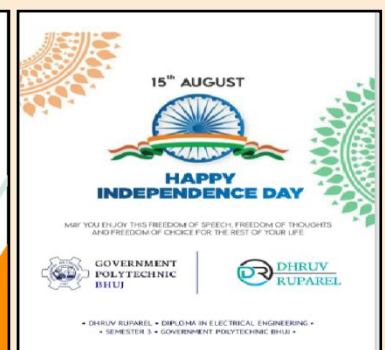

Electrical Department organized two **Virtual Industrial Visits** for the students of 5th Semester through Microsoft TEAMS.

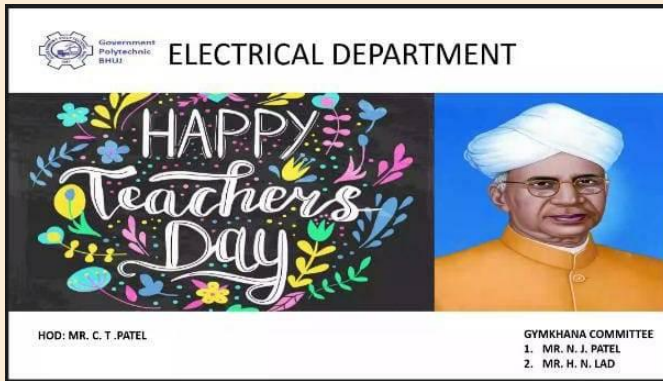

The First visit was organized by **Ms. A. Y. Pandya** (Lect. in Electrical Deptt.) on date: 04-09-2021 for **DME Diesel & GE Shed, Gandhidham**.

The second visit was organized by **Mr. H. N. Lad** and **Mr. N. S. Patel** (Both Lect. in Electrical Deptt.) for **Installation of Domestic Wiring and Service Connection** on date: 23-09-2021.

A total of 29 faculties and students of Electrical Department took part in the **Rendering of Rashtragan** under the **Celebration of Azadi ka Amrut Mahotsav**, the celebration of 75 years of Indian independence, on 06/08/2021.

A **Poster Making / Painting Competition** was also organized under the celebration of **Azadi ka Amrut Mahotsav** on date: 14-08-2021. One student took part in this competition. He sent three entries.

Electrical Department celebrated **Teacher's Day** virtually. Four students took on the role and duties of a teacher for online classes on this occasion. A total of 28 students and 7 faculty members took part in this program.

Road safety Awareness Program arranged on 06/09/2021. Head of Electrical Department **Mr. Chirag T. Patel** conducted a brief **awareness lecture** on the topic. Following this, the

department premiered a documentary film for the students to help increase their understanding of the meaning and goals of road safety. 17 students were benefitted from this program.

Swachhata Pakhwada – 2021 was observed during 01/09/2021 to 15/09/2021. A total of 10 activities were organized during this fortnight. The total number of participants in the Swachhata Pakhwada stood at 39.

Celebration of Khadi for Nation- Khadi for Fashion on 25/10/2021. All faculty members observed this day by wearing khadi apparel to office.

Orientation Program for 1st year students-2021 was organized by Electrical Department on 29/10/2021. This program was organized online via Microsoft Teams. The students were provided an overview of the course and given information regarding the college and department. Staff members resolved the students' and their guardians' queries and doubts regarding amenities and curriculum.

Celebration of Rashtriya Ekta Divas on 30/10/2021. All faculty members of Electrical Department took **oath of unity** in memory of Shree Sardar Vallabhbai Patel.

Mechanical Engineering Department

Activities by Department

A webinar on “Skill, Entrepreneurship Development and Employability: Challenges and opportunities” was delivered by Ms. Bhartiben Sodha, Cottage Industries Officer, District Industries Centre (DIC), Bhuj on date 03-08-2021. The lecture was coordinated by Mr. Valji Mohanbhai Gadhavi and Mr. Mayur Motilal Rana, Lecturer in Mechanical Engineering Department.

LIVE WEBINAR

Government Polytechnic BHUJ | LARSEN & TOUBRO | CADD CENTRE Skills Driven. Job Led

Career Opportunities in PRE-STRESS CONCRETE TECHNOLOGY

Speaker

Date : 07/08/2021 Saturday
Time : 11 Am To 12:30 PM

Mr. Sandesh Naidu
Head - Vocational Business, L&T

Organized By :
Dept. Of Civil Engg., Dept. Of Mech. Engg.
Government Polytechnic, Bhuj

Mechanical Department and Civil Department jointly organized a webinar on “Career opportunities in Pre-stress Concrete Technology” on date: 07-08-2021 in association with CADD Centre Training Services Pvt. Ltd. An expert lecture was delivered by Mr. Sandesh Naidu, Head, Vocational Business, L&T. The session was coordinated by Mr. Divyanshu B. Lokwani and Mr. Dipeshkumar M. Chauhan, Lecturer in Mechanical Engineering Department.

An orientation program was conducted to welcome first semester students via online mode on 6th October, 2021. Mr. Divyanshu B. Lokwani and Mr. Dipeshkumar Chauhan coordinated all the necessary arrangements. Mr. Deven Pandya, Incharge HOD gave welcome speech and informed students about department Vision, Mission and Program Educational Objectives (PEOs) of the department. He also informed briefly about various activities of the department and institute to the students. Mr. Divyanshu Lokwani conducted an ice breaking activity for newly admitted students to build rapport among students.

Faculty Farewell: Mr. Jigar Vinodkumar Modi, has been relieved from Mechanical Engineering Department, GP Bhuj as an Instructor – Grade B on 1st November, 2021 and joined ITI, Patan as a Supervisor Instructor. He has served for three years and eight month. He was In-charge of Carpentry Shop. During his service tenure he has worked hard and maintained various machines. He has performed his all duties at department and college level with high interest and dedication, especially in central store, GEM purchase, student cancelling etc. Let us wish him for bright future ahead.

Mining Engineering Department

Activities by Department

Mining Engineering Department of Government Polytechnic, Bhuj celebrated **Indian Mining Day** on 1st November, 2021 in association with Mining Engineer's Association of India (MEAI) Ahmedabad Chapter. An Online Technical Quiz was organized and 247 participants from all over India participated in it. The participants included not only students but also industry officials from leading industries of Gujarat and other states such as GMDC, Hindustan Copper Ltd., Sanghi Cement Ltd., BEAML Ltd., Odisha Mining Corporation, Hindalco Industries Ltd., etc. The e-certificates were given to all the successful participants. The event was organized by Shri S. G. Srivastav and Shri S. C. Dabhekar.

September 16 is designated by the United Nations as the **International Day for the Preservation of the Ozone Layer**. Mining Engineering Department arranged an **Awareness Webinar on the Preservation of the Ozone Layer**. The webinar was arranged online on the MS Team platform on 16th September, 2021. In this webinar, students were informed about the depletion of the Ozone Layer and the possible solutions to preserve it. The animated demonstration about various layers around the earth and how such layers are helping mankind from various dangerous rays from the sun were shown to the students. The students were informed about substances which cause ozone depletion and sources of such chemicals from various industries were also discussed. The harmful effects of depletion of the ozone layer on human plants, marine ecosystem chemical cycles, and materials were also discussed. The event was organized by **Mr. Sagar N. Heruvala**, Lecturer in Mining Department. The webinar was attended by students and faculties of the Mining department.

General Department

Activities by Department

General Department celebrated **Swachhata Pakhwada** during 01/09/2021 to 15/09/2021 as per guidelines of Ministry of Education, Government of India. All the faculty members of General Department took **Oath - Swachhata Shapath** on date: 01/09/2021

General Department organized an **Orientation Webinar** on “**Importance of Humanities and Science Subjects for Diploma Engineering Students**” for newly admitted students in the first semester on 4th October, 2021. Five experts from different institutes across Gujarat were invited online to deliver speech and show significance of the common subjects offered in the first and second semester of Diploma Engineering such as English, Maths, Physics, Chemistry and Personality Development. The live telecast of the webinar was made available on **YouTube** for all the students of Diploma Engineering across Gujarat. The live telecast of the Webinar received 1,238 views. This webinar was first of its kind for students of Diploma Engineering students in Gujarat.

Orientation Webinar
on
Importance of Humanities and Science Subjects for Diploma Engineering Students

General Department of Government Polytechnic, Bhuj organizes an orientation webinar for the newly admitted students of Diploma Engineering Program. This webinar aims to reveal significance and relevance of Humanities and Science subjects such in technical education as well as in career of Diploma Engineering students.

:: Our Experts ::

Webinar Date: 04/10/2021 (Monday)
Time: From 11:00 am onwards
Platform: Microsoft Teams & YouTube
(Link will be sent to registered participants via email)

:: Organized By ::
General Department
Government Polytechnic, Bhuj

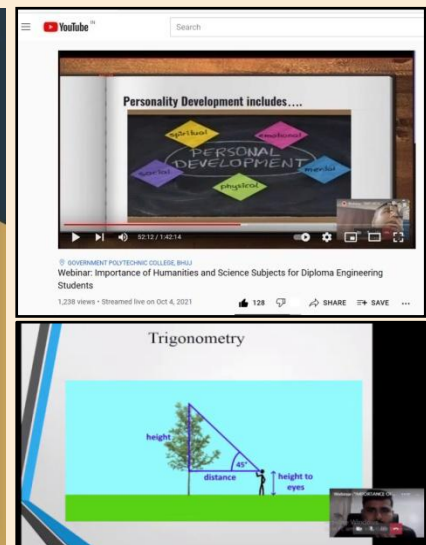

Webinar Coordinator: Dr. Dipom J. Joshi, Lecturer in English
Webinar Host: Ms. Niketa P. Joshi, Lecturer in Physics

:: Organizing Committee Members ::
Dr. Hiren D. Patel, Lecturer in Mathematics
Dr. Maitri H. Vyas, Lecturer in English
Mr. Ashwin R. Oza, Lecturer in Mathematics

Dr. Raviraj Raval, Lecturer in English, Government Polytechnic, Rajkot
Dr. Jaydeep Parejiya, Lecturer in Maths, Government Polytechnic, Rajkot
Dr. Chirag Pandya, Lecturer in English, Government Polytechnic, Palanpur
Mr. Nikhilgiri Gauswami, Lecturer in Physics, A.V. Parekh Technical Institute, Rajkot
Dr. Lopa Sanghavi, Lecturer in Chemistry, Govt. Girls Polytechnic, Ahmedabad

:: Patron and Invitee ::
Mr. Rajesh J. Hathi, Principal, Government Polytechnic, Bhuj
Mr. Hitesh A. Joshi, HoD, General Department, Government Polytechnic, Bhuj

Gymkhana Activity

Gyan Shakti Diwas: Gyan Shakti Diwas was organized on 01st August 2021 at Mukta Jeevan Swamibapa Mahila College, Bhuj. In this program, the Minister of State for Home Affairs inaugurated 210 development works worth Rs. 12.5 crore in Kutch district and distributed scholarships and tablets to students of different institutes of Kutch district. A total number of 52 faculty members of Government Polytechnic, Bhuj attended the program.

Azadi Ka Amrit Mahotsav-Celebration of India’s 75 years of Independence: Government of India launched Azadi Ka Amrit Mahotsav to celebrate and commemorate 75 years of Independence. In this regard Government Polytechnic, Bhuj celebrated this Mahotsav by organizing different activities for students and staff in August and September 2021. The programs included **Online Singing of Rastriya Gan, Poster Making and Online Quiz Competition.**

The Independence Day was celebrated with great enthusiasm and patriotic fervor on 15th August 2021 in Government Polytechnic, Bhuj. The principal Mr. R. J. Hathi hoisted the national flag. Staff members as well as security personnel paid salute to national flag. National anthem as well as patriotic songs was sung.

On 30th October 2021, GP Bhuj organized Oath Ceremony in regards of National Unity Day which was celebrated in honour of Shri Sardar Patel's Birth anniversary. In this ceremony staff of all the departments took Oath of Unity by memorizing Shri Sardar Patel.

On December 2nd, 2021, the Institute head and Departmental heads from Civil, Mechanical and Electrical Department visited Welspun Limited, Anjar on the invitation from the company for the discussion of the placement possibilities and MOU for future industry Academia linkage.

NCC Unit

The aim of the NCC is to develop discipline, character, brotherhood, the spirit of adventure and ideals of selfless service amongst young citizens. Not only these, it also aims to enlighten leadership qualities among the youth who will serve the Nation regardless of which career they choose. To achieve aim of NCC various camps are organized by NCC. This year **Combined Annual Camp (CATC)** was organized by **5 GUJARAT NAVAL UNIT NCC at Bhuj** during 9th September to 5th October 2021. In this camp 43 NCC cadets have taken active participation.

During the camp, cadets were taught pored training, rigging practical, weapon training, ship modeling, NBCD, anchor work, navigation chart, waterman ship training, cultural activities, sports,

poster making and shramdaan. Four cadets, Jethva Aditya, Kushwaha Rohit, Patel Pratham and Parmar Jayanti of Government Polytechnic Bhuj were selected for further selection in to RDC C amp and went to CATC Veraval. Out of them Patel Pratham was selected for

Pre RDC camp selection in pored competition and he got opportunity to attain CATC at GP HQ Jamnagar.

To assume the permanent charge of **Associate NCC officer (ANO)** Mr. J.C.Makani (LME) underwent three month of rigorous **Army Training** at **Officers Training Academy (OTA) Kamptee, Nagpur - Maharashtra**. In this training around 250 professors and lecturers all over the country participated. During this training trainee officers were taught patriotism, importance of NCC, Activities of NCC, personality development, mental and physical wellbeing etc. He was awarded with Camp Commandant's Certificate of Appreciation for exemplary contribution in Theme Competition. After completion of this training **Mr. J. C. Makani is commissioned as a Sub Lieutenant in Navy**.

SPORTS

The Central Civil Services Cultural & Sports Board (CCSCSB) organizes All India Civil Services Tournaments in various disciplines of sports in collaboration with States/UTs/RSBs every year. The CCSCSB is established in 1964 as the Central Secretariat Club. One of the objectives of the Board was promotion of sports and cultural activities amongst the government employees.

As a part of above tournament, **Mr. Kanji Hamirbhai Siju, Lecturer in Mechanical Department** participated in the in the selection process of **Gujarat state Civil Service Games for Badminton** during 23 - 25 August, 2021 and Lawn Tennis during 15-16 November, 2021 at Gandhinagar.

Mr. Divyanshu Bhagwandas Lokwani, Lecturer in Mechanical Department participated in the in the selection process of **Gujarat State Civil Service Games** for 100 m and 400 m running on 28th November, 2021 at Gandhinagar. He secured 2nd rank in 400 m and 3rd rank in 100 m running. He also completed virtually full marathon (42 km) in 4th edition of **Adani Ahmedabad Marathon** on 27th November, 2021.

Ms. Jahanvi Thacker, Lecturer in Applied Mechanics Department participated in the selection process of **Gujarat State Civil Service Games** for Lawn Tennis in **Women's Open category** organized at Gandhinagar Gymkhana. She secured **second position** in the event and was selected to represent Gujarat Secretariat Team for the upcoming **All India Civil Service Lawn Tennis Tournament**.

Faculty Corner

Mr. Nishant J. Goswami, Lecturer in Computer Department has enrolled with Gujarat Technological University as **Ph.D. research scholar** and carrying out his research work on **“FORTIFY ZERO TRUST ARCHITECTURE BY LEVERAGING**

LEVERAGING

Mr. Kamal S. Manek, Lecturer in Computer has enrolled in **M.E. Computer Engineering** in at Government Engineering College, Modasa, affiliated GTU. He has secured **First Rank in Institute** with 8.78 SPI.

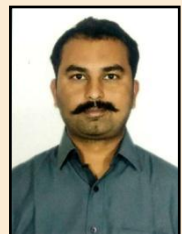

Mr. Jiten M. Khodiyar, Lecturer in Electrical Department participated in the research study **“Ascertain Awareness of Teachers on Accreditation”** conducted by NITTR, Bhopal, during July-August, 2021.

Mr. Nirav J. Patel, Lecturer in Electrical Department acted as a **“Reviewer”** in the review process for Technical Papers presented at the **2021 IEEE PES/IAS Power Africa Conference** held on 23-27 August, 2021.

Mr. Nishant Bahadurbhai Rathod, Lecturer in Mechanical Department has enrolled with Maharaja Sayajirao University (MSU) for **Master of Engineering in Production Engineering program**.

Mr. Chirag V Thakor, Lecturer in Mining Department was declared **Topper with Elite + Gold Certification** in online examination (conducted by NPTEL) for a 12-week course titled **“Underground Mining of Metalliferous Deposits”** offered by IIT Kharagpur during July-Oct 2021.

Dr. Hiren D. Patel, Lecturer in Mathematics and Dr. S. Visweswaran published a research paper entitled “The union of two graphs associated with the set of all non-zero annihilating ideals of a commutative ring” in an international Journal - ‘Gulf Journal of Mathematics’ on 9th August 2021.

Dr. Maitri Vyas, Lecturer in English published a paper entitled 'Ageing and Widowhood in Shashi Deshpande's Novels: A Selective Study' in a book - 'Trends in Contemporary Language, Literature and Culture' in July 2021.

Ms. Niketa P. Joshi, Lecturer in Physics, et al. published her research paper – “Study on Elastic, Thermodynamic, and Optical Properties of Y2Ti2O7 Pyrochlore Determined by a Semi-Empirical Method at 300 K” in Asian Journal of Advances in Research on 6th December, 2021.

Mr. Ashwin Oza, Lecturer in Mathematics delivered an online expert talk on ‘Mathematical Reasoning and Aptitude’ for GSET aspirants as a part of GSET Paper-1 Lecture series-2021 organized by Idar Anjana Patidar H. K. M. Arts & P. N. Patel Commerce College, Idar on 14th November, 2021.

Polytechnic Adhyapak Mandal (PAM) – Local Unit

Mr. Rakesh Vaghasia, Lecturer in A. V. Parekh Technical Institute, Rajkot had long been in comma after treatment of Covid-19. Having come to know about his situation, many members of Local PAM – Bhuj voluntary donated to his family to meet expenses of his medical condition in August 2021.

Under PAM Savendna Scheme, PAM members of Bhuj contributed a total amount of Rs. 20,700/- for the family members of Late Chetankumar V.

Pandey, Lecturer in Mechanical Engineering Department, Government Polytechnic, Ahmedabad in September, 2021

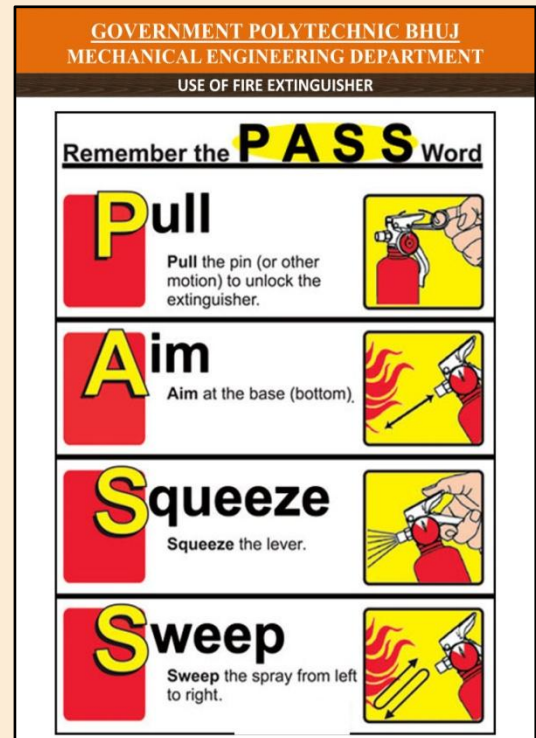

Safety First

Government Polytechnic, Bhuj is committed to provide a safe and healthy environment at campus. We strive to ensure the well-being of students, faculty members, technical personnel and staff through safe work practices at work place. GP Bhuj firmly believes that the responsibility for safety must be shared by all those involved in and out campus activities.

Now, it is immense pleasure to announce that GP Bhuj newsletter “Zest” is starting a new column “Safety First”, which aims to create awareness and sense of responsibility, educate and follow safe practices at work place among our readers. This column includes major areas related to equipment safety, electrical safety, machine safety, fire safety, gas cylinder safety, security operations, first aid and accident prevention. Faculty members and students are welcomed to contribute in the column “Safety First” with any information or illustration on safety.

This time, banner is presented which illustrates the operation and usage of the fire extinguisher available at our campus. It is prepared by final year Mechanical Engineering students named Dhaval Parmar, Jay Shekhani, Om Parmar and Tofik Makoda. Mr. Navneet K. Prajapati, Lecturer in Mechanical Department guided them for preparing the banner
